AIIT 4TH INTERNATIONAL CONFERENCE

GREENING THE WAY FORWARD: SUSTAINABLE TRANSPORT
INFRASTRUCTURE AND SYSTEMS

19TH - 20TH SEPTEMBER 2024, ROME (ITALY)

AIIT (the Italian Association for Traffic and Transport Engineering) is pleased to announce the 4th edition of the International Conference on Transport Infrastructure and Systems TIS ROMA 2024, which will take place in Rome on 19th - 20th September at ACI (Automobil Club d'Italia)

CALL FOR PAPERS

Abstracts should be up to 300 words long, in English, text only. At least 3 keywords should be provided. Authors of accepted abstracts will be invited to submit full papers. The submission and review of abstract and paper will be managed through EasyChair website.

Accepted papers will be published in Transportation Research Procedia (Elsevier), indexed in Scopus. Special Issues in Scientific Journals with a selection of papers are planned.

Conference Chairs:
Enrico Pagliari, AIIT National President
Michela Le Pira, CSR-AIIT Director

CONFERENCE MAIN TOPICS

(other topics available on TIS ROMA 2024 website)

Transport Infrastructure

- Sustainable Road Design and Construction Practices
- Life-Cycle Assessment and Life cycle Cost Analysis of Transport Infrastructures
- Innovation in Pavement Design and Asphalt Materials Modelling
- Innovative Maintenance and Rehabilitation Techniques
- Sustainable Materials for Roads
- Infrastructure Operation Optimization and Energy Management
- Road Asset Management and Road Safety Management
- Climate Change Adaptation Actions for Road Infrastructures
- Sustainable Railway Design, Construction and Maintenance
- Safety Strategies for Vulnerable Road Users
- and much more...

Transport Systems

- Environmental, social and economic sustainability of transport systems
- Climate Change mitigation and adaptation strategies
- Sustainable urban mobility planning
- Mobility management and travel demand management
- Participatory transport decision processes
- Artificial intelligence and big data for transport models and planning
- Connected, cooperative and automated mobility
- Mobility as a Service and integrated transport
- Shared mobility and mobility on demand
- Active mobility and micromobility
- Green ports and port-city interaction
- City logistics and urban freight transport
- Railway and air transport management
- and much more...

IMPORTANT DATES & DEADLINES

Abstract submission deadline

December 18th, 2023

Decision on paper acceptance

May 30th, 2024

Decision on abstract acceptance

January 30th, 2024

Revised paper submission deadline

July 15th, 2024

Full paper submission deadline

April 15th, 2024

PowerPoint submission deadline

September 2nd, 2024

Conference

September 19th - 20th 2024

REGISTRATION FEES

Early Bird registration deadline: July 30th, 2024

	ORDINARY	AIIT ASSOCIATE	YOUNG ATTENDEES	ACCOMPANYING PERSON
EARLY BIRD	350 € (250 € remotely)	200 € (100 € remotely)	200 € (100 € remotely)	150 €
LATE	450 € (350 € remotely)	300 € (200 € remotely)	250 € (150 € remotely)	200 €
